

Jack's Theatre School Lesson Costs from April 2022

Thank you so much for reading all this, I've tried to keep it simple and fair, taking into account overheads and wanting to encourage people to do more classes and pay by standing order. Let me know if anything doesn't make sense and please please tell us if this is making things difficult for you, we are aware that everything is rising in cost at the moment and we will be sympathetic if your circumstances are difficult.

Monthly Costs

You pay for 36 lessons split equally over 12 months. You get between 40 and 41 lessons depending on school holidays so you get between 4 and 5 free "holiday" lessons if you attend all of them. There is no contract but you will be expected to pay in full for all months you attend (and for August as lesson costs are split over 12 months).

Pay-as-you-go students pay more per lesson to account for missed lessons and cover overheads.
